ROCKNOLL NURSERY • FOSTER, OHIO

Rose Sweet Vivid

The Successor to Rosa Rouletti

An entirely new dwarf rose that is both vigorous in growth and beautiful in flower. The fragrant vivid cerise scarlet flowers appear all during the summer. The bush is easily grown, reaching an ultimate height of 12 inches. Its distinct sweet fragrance, its vivid coloring and its pleasing habit will make Sweet Vivid a great garden favorite.

IDEAL FOR THE ROCK GARDEN

Unlike Rosa Rouletti, the Swiss Alpine rose, the plant is large enough to be showy in the garden with flowers that are suitable for picking.

A ROCKNOLL INTRODUCTION

CAMPANULA FANNY SENIOR

The first American raised Hybrid Campanula of note. Its large soft blue flowers on drooping stems show one of its parents to be Campanula fragilis. While our tests show this to be hardy having easily withstood 20° F. in the open we recommend it only to those gardeners used to handling unusual plants.

A ROCKNOLL INTRODUCTION

Clematis Flowered Columbine

Aquilegia Clematiflora

This glorious Columbine is absolutely distinct in petal formation. As will be seen from the accompanying picture, the blooms greatly resemble Clematis. They are delightfully attractive and of exquisite daintiness.

The plants are extremely hardy, of medium height, compact in habit and free flowering. The color range includes the delicate pastel shades of pink and blue.

Undoubtedly the most distinct development
in Columbine ever made.

A Rocknoll Introduction

Sargent's Lily

Lilium Sargentae

Of all the new lilies we have tried the last few years Sargent's Lily has proven both the hardiest and most showy. Its long fragrant white flowers are borne often 15 on 8 foot stocks. Flowers after the Regal Lily in late July and August. We freely predict that this lily will become as well known and loved as the Regal Lily.

Soldier's and Sailor's Flower

Pulmonaria Lungwort

One of England's best loved flowers that should be better known in this country. In most forms the showy flowers open deep pink and change to blue with age giving the name Soldier's and Sailor's Plant,—The first for the English Red Coated Soldier, the second for the Blue coated Sailor. They are grateful plants repaying with a great show of color their simple requirements, shade, moisture, and fairly good soil. We cannot say enough in praise for the Lungworts splendid garden behaviour or for their showy flowers from earliest spring until June. All are large, vigorous plants.

SPOTTED DOG. *Pulmonaria saccharata*. Numerous heads of showy pink and blue flowers. Foliage deep green spotted with silver. See illustration.

30c each 4 for \$1.00 \$2.89 per dozen

MRS. MOON. A greatly improved form of the above. Flowers larger brighter colored with the foliage splattered with bright silver blotches.

Lend Color and Interest to That Shady Spot

We offer only those best adapted to conditions found in the average garden.

Bird Foot Violet

Viola Pedata bi-color. A beautiful 2 shaded blue violet with a deeply cut leaf. Good drainage in Full Sun.

Celandine Poppy

Stylophorum diphyllum. Large yellow poppy like flowers over a great part of the summer.
Shade—Reseeds Freely

Confederate Violet

Viola papilionacea alba. A beautiful white form of our common butterfly violet with deep blue stripes in its throat.
Sun or Shade. Easy.

Iris Cristata

The dwarf crested iris of our woodlands. Easily grown in a semi-shaded location where it has freedom to run. Blue flowers.

Virginia Bluebells

Mertensia virginica. Showy blue heads in early spring. One of our best and easiest grown wild flowers.

SHOOTING STAR
Ohio's Wild Flower

The Wild Flowers listed below are strong nursery grown ones and not weak spindly plants collected in the woods.

Jacob's Ladder

Polemonium reptans. So called because its divided leaf resembles a tiny ladder. Pretty blue flowers in April and May. Shade or Half-Shade.

Shooting Star

Dodonaea meadia. Beautiful white and yellow flowers on 18 inch stems. Easily grown in a bare rocky spot. Sun or shade.

2 O'clock Plant

Talinum calycinum. A rare plant from the Ozarks. Given a hot sunny location its cherry red flowers will greet you every day of the summer.

Great White Trillium

Trillium grandiflorum. A plant of great beauty. Large white flowers among 3 emerald green leaves. Easy.
